**NOTICE OF PROPOSED EMERGENCY REGULATORY ACTION**

Subject: Implementation of Senate Bill 1036 (Chapter 45, Statutes of 2012), effective June 27, 2012—In-Home Supportive Services Employer-Employee Relations Act

The Public Employment Relations Board (PERB or the Board) is proposing to adopt emergency regulations implementing the newly enacted In-Home Supportive Services Employer-Employee Relations Act (IHSSEERA), codified at Title 23 of the Government Code section 110000 et seq.

Pursuant to Government Code section 110035.5, subdivision (a), the initial adoption of the regulations authorized by IHSSEERA are deemed to address an emergency for purposes of Government Code sections 11346.1 and 11349.6, and PERB is exempted for that purpose from the requirements of Government Code section 11346.1, subdivision (b). Pursuant to Government Code section 110035.5, subdivision (b), the adoption of emergency regulations authorized by IHSSEERA is exempted from Government Code section 11346.1, subdivision (d), and from Government Code section 11349.6. Accordingly, PERB will transmit the emergency regulations directly to the Secretary of State for filing upon approval by the Board. Upon filing with the Secretary of State, the emergency regulations shall become effective immediately for a period of up to one hundred and eighty (180) days. Within that 180-day period, PERB will proceed with a regular rulemaking action, including a public comment period. The emergency regulations will remain in effect during the regular rulemaking action.

Any interested person, or his authorized representative, may submit written comments relevant to the proposed regulatory action to PERB. The written comment period will close at 5:00 p.m. on November 12, 2013. Submit written comments to:
